### **Democrats Flood Congress with Gun Control, A Curious Hypocrisy**

Madison, Wis. — Wisconsin Gun Owners, Inc. (WGO) — Wisconsin’s only no-compromise gun rights organization — announces it opposes extremely dangerous bills introduced to the U.S. House by Shelia Jackson (D-Texas) and other House members of Congress.

Newly sworn-in Democrats and gun grabbers in the U.S. Congress have introduced H.R. 121, H.R. 125, H.R. 127, H.R. 130, and H.R. 167, seeking to gut the Second Amendment from the top down, the organization says.

“WGO decries political violence in the strongest possible terms. Whether it is BLM, ANTIFA, or MAGA, we will never condone political intimidation,” said Thomas Leager, executive director of WGO. “That’s why we’re so puzzled by the introduction of this massive gun control package. Democrats have talked about unity and healing out of one side of their mouth. Then, given the first opportunity, they propose the most polarizing legislation ever, out of the other side of their mouth.”

“How can destroying one of our most fundamental rights, the second listed under the Bill of Rights, be *unifying*?”

WGO opposes Congress’ attempt to ban certain types of ammo, create a national firearms and ammo licensing requirement, prohibit so-called high-cap magazines, and abolish private non-FFL transfers.

#### About WGO

Founded in 2003, Wisconsin Gun Owners, Inc. (WGO) works tirelessly to restore gun rights in the Badger State using a grassroots activism model that forces lawmakers of either party to go on the record and answer to gun owners. The group opposes all gun control, even “reasonable restrictions” often supported by republicans. WGO is a 501(c)4 advocacy organization and registered charitable non-profit in the State of Wisconsin. Learn more at [wisconsin-gunowners.org](http://wisconsin-gunowners.org).
