Wisconsin Gun Owners, Inc. Announces Sponsorship by Vortex Optics

Madison, Wis. — Wisconsin Gun Owners, Inc. (WGO)— Wisconsin’s only no-compromise gun rights organization — announced that Vortex Optics of Barneveld, Wisconsin, has become its newest Gold-level sponsor. WGO started its Wisconsin Pro-Gun Business Network Sponsorship Program earlier this year as part of its work to expand operations and let gun rights activists know which businesses support their gun rights.

“WGO is growing by leaps and bounds, and we are very grateful to Vortex for helping us continue that growth,” said Thomas Leager, executive director. “As we work to deliver tangible change to the political landscape of Wisconsin and restore the Second Amendment rights of Wisconsinites, it’s very encouraging to see big names like Vortex reaching out to support our no-compromise mission and gun owners in Wisconsin.”

Now, more than ever, we must stand together as one uncompromising voice and let those in Madison and D.C. know that we will not allow them to gut our 2A-protected industries.

“We are so proud of our members and the progress we have made. But we are a long way from the finish line, and we thank Vortex Optics for standing strong with the Second Amendment community,” Leager said. “Vortex is known not only for its affordable line of optics but also industry-leading tactical scopes used by serious 3-Gun and Precision Rifle Series (PRS) competitors. Its sponsorship of WGO proves Vortex ‘gets it’ when it comes to supporting gun rights without compromise.”
